

ITALIAN FINANCIAL TRANSACTIONS TAX – DERIVATIVES PROTOCOL

1. INTRODUCTION

1.1 This Protocol is published by the Association for Financial Markets in Europe (*AFME*). Its purpose is to allow parties to adhere to a set of standard provisions as to the allocation of payment and reporting responsibilities and obligations in circumstances where transactions in certain equity derivatives (the *Chargeable Derivatives*) are subject to the taxation on financial transactions under article 1, paragraph 492, of the Italian Law 228 of 24 December 2012 (the *Law 228*) and articles from 7 to 11 of the Decree of the Minister of Economy and Finance dated 21 February 2013 (the *Treasury Decree*), as these articles may be amended or superseded from time to time, including any related penalty or interest for late or incorrect payment or late or incorrect reporting or filing that may be due (the *FTT*). This Protocol is not purported to address which party to a transaction in Chargeable Derivatives that is liable for the FTT shall bear the economic cost of the tax. In the event of any inconsistency between the Protocol and the provisions of any agreements evidencing or governing a transaction in Chargeable Derivatives which relate to the allocation of tax risk (other than the allocation of FTT payment and reporting responsibilities and obligations), such agreements shall prevail.

1.2 The provisions contained in the Protocol shall apply to transactions covered by this Protocol by a party that has adhered to, and has not withdrawn from, the Protocol (an *Adhering Party*). The Protocol shall apply to an Adhering Party and all its branches, unless specified otherwise in the Adherence Letter (as defined below).

1.3 Parties may adhere to the Protocol and be bound by its terms by following the adherence procedure described in Section 2 below. Subject to the effect of any Disapplication Letter (as defined below) served by an Adhering Party, Adhering Parties agree that the terms of this Protocol shall apply to all Covered Transactions (as defined below) entered into by them with or for and on behalf of another Adhering Party and that the Protocol shall take effect as separate bilateral agreements between each Adhering Party and each other Adhering Party.

1.4 The Protocol is intended to cover White-Listed Investment Services Providers (as defined below).

1.5 The Protocol is intended to create legal rights and obligations and parties are encouraged to take legal advice on its terms and effect before adhering to the Protocol.

1.6 For the purposes of this Protocol, each Adhering Party is responsible for interpreting the relevant provisions of the Law 228 and the Treasury Decree to determine which transactions incur reporting and payment obligations.

1.7 This Protocol shall become effective at 12.01am Milan time on 1 September 2013.

2. ADHERENCE

2.1 Adherence to the Protocol shall require the execution and delivery to AFME of a letter in the form, or substantially the form, set out in Exhibit 1 to this Protocol (the *Adherence Letter*).

2.2 A party intending to adhere to this Protocol shall deliver to AFME by (i) certified or registered mail (or airmail, if overseas) or equivalent; (ii) courier; or (iii) personal delivery to the address set out in the form of Adherence Letter, two copies of the Adherence Letter: one a manually signed original and the other a conformed copy containing, in place of each signature, the printed or typewritten name of each signatory. In addition, the party shall send scanned pdf copies of the manually signed original and conformed copies of the Adherence Letter to AFME at fttprotocol@afme.eu.

2.3 AFME shall publish the conformed copy of the Adherence Letter on the AFME Website (such publication by AFME constituting the *Adherence Confirmation*).

2.4 A party will become an Adhering Party to this Protocol with effect from:

- (a) the date and time on which the Protocol shall become effective in accordance with paragraph 1.7 above, if AFME has effected the Adherence Confirmation in respect of that party by that date and time;
- (b) the date which is one Business Day following the date on which AFME effects the Adherence Confirmation in respect of that party, if AFME has effected the Adherence Confirmation in respect of that party after the date and time specified in paragraph 1.7 above but before 1 December 2013; or
- (c) in all other cases, the date which is 5 Business Days following the date on which AFME effects the Adherence Confirmation in respect of that party.

2.5 Except as provided for specifically in this Protocol, this Protocol is intended for use without negotiation. In adhering to this Protocol a party may not specify amendments to the Protocol or additional provisions, conditions or limitations in its Adherence Letter or otherwise. Any such purported amendments, additional provisions, conditions or limitations will be of no effect and will result in such party failing to become or to remain an Adhering Party.

2.6 Subject to Section 3 below, the terms set out in this Protocol will apply as between any two Adhering Parties from the time when they are both Adhering Parties.

2.7 In consideration of the mutual rights and obligations between Adhering Parties created by this Protocol, each Adhering Party agrees to be bound by its terms as amended from time to time.

2.8 Any provisions evidencing or governing any Covered Transactions, whether collectively or individually, shall continue to apply to the respective Covered Transactions, provided that in the event of any conflict with the provisions of this Protocol concerning the allocation of FTT payment and reporting responsibilities and obligations, the provisions of this Protocol shall prevail.

3. DISAPPLICATION

3.1 Notwithstanding any provision to the contrary in Section 2 above, an Adhering Party intending to disapply the Protocol with respect to any other Adhering Party may at any time execute and deliver by (i) certified or registered mail (or airmail, if overseas) or equivalent; (ii) courier; or (iii) personal delivery to that other Adhering Party at its address specified in its Adherence Letter or most recent notice of change of contact details published on the AFME Website (as applicable), a notice in the form, or substantially the form, set out in Exhibit 2 (the *Disapplication Letter*).

3.2 The Disapplication Letter shall take effect from the date which, in accordance with Section 9 below, it shall be deemed effective.

3.3 Once a Disapplication Letter has become effective, the terms of this Protocol shall cease to apply as between the Adhering Party that delivered, and the Adhering Party that received, the Disapplication Letter (but, for the avoidance of doubt not between either of those Adhering Parties and any other Adhering Party). The terms of this Protocol will continue to apply between an Adhering Party and any Adhering Party to which it has delivered a Disapplication Letter, in respect of Covered Transactions entered into between those Adhering Parties or by one of those Adhering Parties for and on behalf of the other of those Adhering Parties prior to the Disapplication Letter becoming effective. In particular, but without limitation, the Disapplication Letter shall be without prejudice to the accrued rights of either Adhering Party under Section 7 below, which shall survive any such Disapplication Letter.

4. WITHDRAWAL

4.1 An Adhering Party may declare the withdrawal of its adherence to the Protocol by execution and delivery to AFME of a letter in the form, or substantially the form, set out in Exhibit 3 to this Protocol (the *Withdrawal Letter*).

conformed copy of the Withdrawal Letter relating to that Adhering Party on the AFME Website (such publication constituting the *Withdrawal Confirmation*).

4.4 Notwithstanding anything to the contrary in the foregoing paragraphs of this Section 4 or in any other provision of this Protocol, if at any time an Adhering Party ceases to be a White-Listed Investment Services Provider, it shall be subject to the immediate withdrawal of its adherence to the Protocol, in accordance with paragraph 4.5 below.

4.5 A party which has ceased to be a White-Listed Investment Services Provider, shall immediately provide notice to AFME, in the form or substantially in the form, set out in Exhibit 4. Such notice shall be delivered to AFME by (i) certified or registered mail (or airmail, if overseas) or equivalent; (ii) courier; or (iii) personal delivery to the address set out in the form of notice in Exhibit 4, in two copies: one a manually signed original and the other a conformed copy containing, in place of each signature, the printed or typewritten name of each signatory. Such publication shall constitute a Withdrawal Confirmation and such party shall become a Former Adhering Party as at the date of the Withdrawal Confirmation.

4.6 The terms of this Protocol will continue to apply between an Adhering Party and a Former Adhering Party in respect of Covered Transactions entered into between those parties or by one of those parties for and on behalf of the other prior to the latter becoming a Former Adhering Party. In particular, but without limitation, neither the fact of becoming a Former Adhering Party nor the Former Adhering Party's Withdrawal Confirmation shall prejudice the accrued rights of either party under Section 7 below, which shall survive any such Withdrawal Confirmation.

- (a) the Counterparties and the Executing Broker acknowledge the following:
 - (i) according to article 10 of the Treasury Decree, each Counterparty is liable, unless it can benefit from an exclusion as set out in article 15 of the Treasury Decree or an exemption as set out in article 16 of the Treasury Decree, for the FTT due on the relevant Covered Transaction in Exchange Traded Derivatives, in the amount set out by article 11 of the Treasury Decree;
 - (ii) according to article 19 of the Treasury Decree and par. 3.1.4 of the Payment Regulation, each Counterparty is exclusively required to pay the FTT for which it is liable under article 10 of the Treasury Decree, without being responsible for paying the FTT for which the other

Counterparty is liable under the same article 10 of the Treasury Decree;

- (iii) according to article 19 of the Treasury Decree and the Payment Regulation, each Counterparty is required to report the relevant Covered Transaction in Exchange Traded Derivatives in compliance with the Reporting Obligations;
- (iv) according to article 10 and article 19 of the Treasury Decree and according to the Payment Regulation, the Executing Broker is not liable for FTT in relation to the relevant Covered Transaction in Exchange Traded Derivatives and is not required to report the relevant Covered Transaction in Exchange Traded Derivatives in compliance with the Reporting Obligations;

(b) the Counterparties and the Executing Broker agree as follows:

- (i) each Counterparty (or its delegate) will report the Covered Transaction in Exchange Traded Derivatives in compliance with the Reporting Obligations or, where applicable, will designate for this purpose the central depository in order to satisfy the Reporting Obligations on its behalf, in each case in accordance with the provisions of the Payment Regulation;
- (ii) each Counterparty (or its delegate) will exclusively pay any FTT for which it is liable under article 10 of the Treasury Decree in respect of the Covered Transaction in Exchange Traded Derivatives or, where applicable, will designate for this purpose the central depository in order to satisfy this payment obligation on its behalf, in each case in accordance with the provisions of article 19 of the Treasury Decree and the Payment Regulation;
- (iii) each Counterparty will not pay the FTT for which the other Counterparty is liable under article 10 of the Treasury Decree and, where applicable, will not designate the central depository in order to satisfy this payment obligation on its behalf;
- (iv) the Executing Broker will not pay the FTT for which the Customer and the Clearing Broker are liable under article 10 of the Treasury Decree and, where applicable, will not designate the central depository in order to satisfy this payment obligation on its behalf;
- (v) the Executing Broker will not report the Covered Transaction in Exchange Traded Derivatives in compliance with the Reporting Obligations.

Provided always that the provisions of this paragraph 7.2 shall not bind the Counterparties and the Executing Broker to the extent that (i) the Executing Broker receives a final, binding direction from the Italian tax authorities to report the Covered Transaction in Exchange Traded Derivatives in compliance with the Reporting

Obligations and/or to pay the FTT for which the Customer and/or the Clearing Broker are liable under article 10 of the Treasury Decree in respect of the Covered Transaction in Exchange Traded Derivatives (it being understood however that the Executing Broker shall retain its right to an indemnity under paragraph 7.3 in case of occurrence of an Executing Broker Indemnity Event in relation to Covered Transaction in Exchange Traded Derivatives executed prior to the reception of the above mentioned final, binding direction from the Italian tax authorities); or (ii) a Counterparty receives a final, binding direction from the Italian tax authorities to pay the FTT for which the other Counterparty is liable under article 10 of the Treasury Decree in respect of the Covered Transaction (it being understood however that the former Counterparty shall retain its right to an indemnity under paragraph 7.3 in case of occurrence of a Counterparty Indemnity Event in relation to Covered Transaction in Exchange Traded Derivatives executed prior to the reception of the above mentioned final, binding direction from the Italian tax authorities); or (iii) the Executing Broker and the Counterparties agree in writing, on a different allocation of duties for FTT reporting and/or paying purposes, in respect of the Covered Transaction in Exchange Traded Derivatives.

7.3 The Claimed Party shall indemnify the Claiming Party, on a continuing basis, against all reasonably incurred direct costs, expenses (including reasonable legal expenses), damages, liabilities and losses, including any penalties and interest (*Costs*) (including, without limitation, in relation to any Claim), that the Claiming Party suffers or incurs as a direct result of the occurrence of an Indemnity Event, excluding however (i) in the case of a Counterparty Indemnity Event, any Costs resulting from the Claiming Party's failure to duly, and in a timely manner, comply with a binding direction from the Italian tax authorities concerning the payment of the FTT for which the Claimed Party is liable under article 10 of the Treasury Decree in respect of the Covered Transaction, (ii) in the case of an Executing Broker Indemnity Event, any Costs resulting from the Executing Broker's failure to duly, and in a timely manner, comply with a binding direction from the Italian tax authorities concerning the reporting of the Covered Transaction in Exchange Traded Derivatives in compliance with the Reporting Obligations and/or the payment of the FTT for which the Customer and/or the Clearing Broker are liable under article 10 of the Treasury Decree in respect of the Covered Transaction in Exchange Traded Derivatives, and (iii) in case of both a Counterparty Indemnity Event and an Executing Broker Indemnity Event, any Costs resulting from the Claiming Party's failure to duly, and in a timely manner, comply with any agreement (other than this Protocol) between the parties as to the allocation of responsibility for FTT Reporting Obligations and/or paying purposes in respect of the Covered Transaction in Exchange Traded Derivatives. In no circumstances shall an Adhering Party be liable to indemnify another Adhering Party for loss of profit, goodwill or opportunity.

7.4 Payment under the indemnity in paragraph 7.3 shall be made by the Claimed Party upon demand in writing by the Claiming Party, provided that the Claiming Party has provided to the Claimed Party reasonable evidence to support its claim under the indemnity. For the avoidance of doubt, the Claimed Party shall not be required to make payment under the indemnity any earlier than when the Claiming Party actually suffers or incurs the relevant Costs, which shall be (i) in respect of the FTT, the due date set out in a formal payment notice received by the Claiming Party from the

Italian tax authorities (or the date upon which any Deferral Period expires, where applicable), and (ii) the due date for any other Costs.

7.5 The Claiming Party undertakes to notify the Claimed Party as soon as reasonably practicable of any Indemnity Event or circumstances which the Claiming Party reasonably considers to be likely to give rise to an Indemnity Event.

7.6 Subject to paragraph 7.7 below, if the Claiming Party requests indemnification from the Claimed Party under paragraph 7.3:

- (a) the Claiming Party shall have conduct of any proceedings, dispute or claim relating to the relevant Indemnity Event or potential Indemnity Event (a *Claim*);
- (b) the Claiming Party agrees to use legal advisors reasonably satisfactory to the Claimed Party, in relation to such Claim;
- (c) the Claiming Party agrees to keep the Claimed Party reasonably informed of the progress of, and consult with the Claimed Party with respect to, issues relating to such Claim and shall in good faith consider any request from the Claimed Party relating to such Claim, subject to the Claiming Party being indemnified by the Claimed Party for any associated costs (including, without limitation, the costs of providing any collateral to the Italian tax authorities in relation to FTT claimed by the Italian tax authorities from the Claiming Party);
- (d) the Claiming Party shall not settle or compromise, consent to the entry of any judgment in or otherwise seek to terminate such Claim without the Claimed Party's prior written consent (such consent not to be unreasonably withheld or delayed); and
- (e) the Claimed Party shall cooperate in good faith with the Claiming Party in order to allow the Claiming Party to defend and conduct such Claim.

7.7 If the Claiming Party reasonably believes that there is an actual or potential conflict of interest between the Claimed Party and the Claiming Party in relation to a Claim or that any such conflict could reasonably be expected to arise, the Claiming Party may upon written notice to the Claimed Party revoke any obligation of the Claiming Party under paragraph 7.6 above in respect of the Claim.

7.8 The Claiming Party shall pay forthwith to the Claimed Party any amount refunded to the Claiming Party or otherwise recovered by the Claiming Party from the Italian tax authorities that corresponds to an amount of FTT paid by the Claimed Party to the Italian tax authorities or to Costs in respect of which the Claimed Party has made a payment to the Claiming Party under the indemnity in paragraph 7.3. If the Claiming Party is entitled to any refund or recovery which would lead to it making a payment under this paragraph 7.8, it shall inform the Claimed Party of such entitlement and shall on the request of the Claimed Party use reasonable endeavours to obtain such recovery or refund, subject to the Claiming Party being indemnified to its reasonable satisfaction by the Claimed Party against any costs and expenses incurred in obtaining such recovery or refund.

7.9 The Claiming Party cannot claim twice for the same Costs under the indemnity in paragraph 7.3.

7.10 The Counterparties and the Executing Broker agree that nothing in this Protocol shall constitute advice on their tax or other obligations under Italian law, or on the legal, financial or regulatory consequences of the Protocol. The Counterparties and the Executing Broker each agree that if they consider it necessary to seek advice, they will consult their own legal, tax and regulatory advisers as appropriate.

8. NO WAIVER

No failure or delay by an Adhering Party (whether by course of conduct or otherwise) to exercise any right, power or privilege under this Protocol shall operate as a waiver thereof nor shall any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege as herein provided.

9. NOTICES

9.1 Subject to any provision to the contrary in Section 3 above, any notice or other communication to be given by one Adhering Party to another in respect of this Protocol may be given in any manner set forth below to the address or number for the relevant Adhering Party or in accordance with the electronic messaging system details in each case as set out in that Adhering Party's Adherence Letter or most recent notice of change of contact details published on the AFME Website (as applicable) and will be deemed effective as indicated:

- (a) if in writing and delivered in person or by courier, on the date it is delivered;
- (b) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);
- (c) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted; or
- (d) if sent by electronic messaging system, on the date that electronic message is received,

unless the date of that delivery (or attempted delivery) or the receipt, as applicable, is not a Business Day or that communication is delivered (or attempted) or received, as applicable, after 5.00 pm London time on a Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Business Day.

9.2 An Adhering Party may from time to time give notice to AFME of any change to its contact details, as set out in its Adherence Letter. AFME shall, following receipt of any such notice, publish the conformed copy of the notice on the AFME Website.

10. RIGHTS OF THIRD PARTIES

Other than AFME, a person who is not an Adhering Party has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any terms of this Protocol, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

11. LIMITATION OF LIABILITY

11.1 Neither AFME nor any of its officers, servants or agents will incur any liability to any Adhering Party, Former Adhering Party or any other person or be responsible for any loss, damage, expense or claim whatsoever suffered or incurred by any Adhering Party, Former Adhering Party or any other person as a result of performing or failing to perform any function under this Protocol (including, without limitation, the inability of any Adhering Party, Former Adhering Party or any other person to access the AFME Website for any reason) except to the extent that such liability, loss, damage, claim or expense is shown to be attributable to the fraud of AFME. Neither AFME nor any of its officers, servants or agents shall be liable for any loss of business, profit or consequential damage of any kind whatsoever.

11.2 In particular, but without prejudice to the generality of paragraph 11.1 above, AFME's role in effecting Adherence Confirmations or Withdrawal Confirmations or in publishing any changes to the contact details of Adhering Parties (as notified to AFME) shall be limited to the publication of the conformed copies of any Adherence Letters, Withdrawal Letters, notices in the form of Exhibit 4 or notices of change of contact details, in the form received by AFME. AFME shall not be responsible for checking the accuracy of any such letters, notices, their conformity with the relevant Exhibit to this Protocol or their due execution.

12. AMENDMENTS

12.1 Without prejudice to paragraph 12.3, amendments to this Protocol may be made by AFME publishing the proposed amendment on the AFME Website at least 10 Business Days prior to such amendment taking effect. AFME shall, by 5.00 pm London time on any Business Day that it publishes a proposed amendment to this Protocol on the AFME Website, notify, via e-mail, each currently Adhering Party of the fact. Where an Adhering Party has failed to provide a valid working e-mail address to AFME for the purposes of this Protocol then AFME shall have no obligation to provide notice to such Adhering Party under this paragraph 12.1.

12.2 Without prejudice to paragraph 12.3, amendments to the Protocol will become effective upon AFME publishing the final amended version of the Protocol on the AFME Website, and each Adhering Party shall be bound by the terms of this Protocol as amended. If an Adhering Party does not accept the proposed amendment it may withdraw from the Protocol in accordance with the provisions of Section 4 prior to the amendment taking effect. AFME will, prior to publishing any proposed amendments to the Protocol, consult with Adhering Parties or a committee of Adhering Parties appointed for this purpose.

12.3 For 12 months after the effective date of this Protocol as specified in paragraph 1.7, AFME may make such amendments to this Protocol as it considers necessary or desirable to reflect any amendments to the Treasury Decree or any FTT regulations enacted by the tax authorities or any guidance given by the Italian Treasury or tax authorities in relation to the Law 228 or the Treasury Decree. Amendments to this Protocol made pursuant to this paragraph 12.3 shall become effective immediately upon AFME publishing an amended version of the Protocol on the AFME Website, and each Adhering Party shall be bound by the terms of this Protocol as amended. AFME may, but is not required to, consult with any Adhering Parties or give prior notice to Adhering Parties of any amendment to the Protocol made pursuant to this paragraph 12.3. Following publication of an amended version of the Protocol on the AFME Website, AFME will notify, via e-mail, each currently Adhering Party of the fact. Where an Adhering Party has failed to provide a valid working e-mail address to AFME for the purposes of this Protocol then AFME shall have no obligation to provide notice to such Adhering Party under this paragraph 12.3

12.4 No amendment, modification or waiver with respect to matters contemplated by this Protocol will be effective unless made in accordance with the terms of this Section 12.

13. TERMINATION

13.1 Adhering Parties agree that AFME may terminate this Protocol at any time following consultation with Adhering Parties or a committee of Adhering Parties appointed for this purpose by publishing a notice of termination on the AFME Website, which shall specify the date on which such termination shall take effect.

13.2 Termination of the Protocol in accordance with paragraph 13.1 above shall be without prejudice to any rights or obligations of Adhering Parties which have accrued prior to such termination. In particular, but without limitation, termination of the Protocol shall not prejudice the accrued rights of an Adhering Party under Section 7 above, which shall survive any such termination.

14. GOVERNING LAW

This Protocol and any Adherence Letter, Disapplication Letter, Withdrawal Letter or notice of ceasing to be a White-Listed Investment Services Provider under paragraph 4.5 (together the *Protocol Documents*) and any non-contractual obligations arising out of or in relation to the Protocol Documents shall be governed by and construed in accordance with English law. The English courts shall have exclusive jurisdiction in relation to all disputes arising out of or in connection with this Protocol (including claims for set-off and counterclaims), including, without limitation, disputes arising out of or in connection with: (i) the creation, validity, effect, interpretation, performance or non-performance of, or the legal relationships established by, this Protocol; and (ii) any non-contractual obligations arising out of or in connection with this Protocol. For such purposes each Adhering Party irrevocably submits to the jurisdiction of the English courts and waives any objection to the exercise of such jurisdiction.
